PK,

We need two witnesses for Norstrom. (Name and Address)

Also need Norstrom to sign something instructing JTroncoso to proceed criminally against Jowdy. As noted below could sign this email, but don't believe the commentary is as expectation of.

Norstrom's Mexico  
attorney

Phil and Bob,

Following up with our telephone conference regarding the criminal complaint of Ken Jowdy I inform you the following:

Norstrom was promised to obtain shares from Lor Management, SA de CV (LM) and at the same time LM was the major owner of Aeropuerto Cabo San Lucas, SA de CV, everything in exchange of \$400,000 USD. Ken Jowdy agreed to give Norstrom shares of LM which indirectly owned Aeropuerto Cabo San Lucas, S.A. de C.V. prior to January 2008.

We need the two full names of the witnesses including addresses.

Please review and check if you are OK. Also, please obtain the OK of Norstrom on top of this e-mail instructing us to proceed criminally against Ken Jowdy.

Thanks,

Javier Troncoso
